2012 Highlights

DEVELOPMENT

- Growth in registered participant members of 8.8% to 43,440
- Sydney International Gymfest hosted in Cronulla with teams from Denmark, Germany, Japan, and New Zealand. The event was named as a finalist at the NSW Sports Federation Annual Awards.
- Gentle Gymnastics piloted at the Sydney International Gymfest.
- Gymnastics NSW recognised with a Workcover – NSW Sporting Injuries Committee award for the development of a WHS APP.
- Board approved the development of Team Gym APP due for completion in late 2013.
- Australian Sports Commission grant received for the development of a gymnastics program for Muslim girls. The program will be piloted in 2013 following development in 2012.
- NSW Sport and Recreation grant received to connect Armidale with the Gymnastics NSW head office via the National Broadband Network. The program is due for completion in 2013.

SPORT AND EVENTS

- NSW ended the combined Australian Championships with more gold medals and more medals in total than any other state.
- Brett Austine Head Judge for Women's TRP Finals at the London Olympics.
- Prashanth Sellathurai wins gold and bronze at MG World Cup events on Pommel.
- Jaelle Cohen makes RG Finals at Pacific Rim Championships.
- 66 athletes and 19 officials represented NSW and Australia at international events.
- Gymnastics NSW subsidized international travel \$50,000 from the International Travel Reserve.
- Acrobatic Gymnastics had unprecedented success at the World Championships with the Senior Women's Trio- Annelise Olsson, Ingrid Dunkerly, Melanie Byrne, 11-16 Women's Trio- Lauren Cosgrove, Holly Cosgrove, Hannah Cosgrove, 11-16 Women's Pair- Renee Blake, Mackenzie Levin, 11-16 Mixed Pair- Perry Drakopoulos, Tara Sahagian, all qualifying for finals.

MARKETING AND PROMOTION

- Sydney International Gymfest reaches a combined national media coverage of 3.2 Million following promotion via Channel 7 Sunrise, Big Sports Breakfast, NOVA FM, 2GB plus numerous local newspapers.
- Country Championships attracted significant media cover in Orange. The event featured on Prime and Win television on six occasions and featured on the front and back pages of the local papers almost every day of the event.
- Local media cover circulation of 10.5 Million.
- Gymnastics NSW mascot 'Kip' launched.
- The launch of GymNSW TV on YouTube.

President & CEO Report

It has been a pleasure serving Gymnastics NSW for another year. 2012 saw a record number of registered gymnasts with growth of 8.8% to 43,440, a very pleasing result and a testament to the sports 185 affiliate clubs. The Associations financial credentials remain strong with profit continuing to be invested back into the sport through new programs, improved services, increased support, and more employees. Details of this increased investment in Development, Sport and Events, and Marketing may be found later in the Annual Report.

SYDNEY GYMNASTICS AND AQUATIC CENTRE

The development of the Sydney Gymnastics and Aquatic Centre (Rooty Hill RSL) continues with the official centre opening scheduled to occur in early August 2013. The new state of the art centre will promote increased momentum for the growth and development of the sport through new events, education and development, and international partnerships. Our thanks go to the Board and management of Rooty Hill RSL for the significant investment they have made into the future of gymnastics in NSW.

SUPPORTING OUR GYMSPORTS

The strategic objective to enable the Gymsports continues to gain momentum with \$383,688, approximately 11% of revenue, transacted through the Gymsport Sub Committee Accounts in 2012 on various Gymsport specific initiatives. Of this amount \$100,000 was allocated for the reimbursement of judge expenditure at events representing an increase on previous levels and set to increase in 2013 with a further increase of approximately 20%. The significant sums now transacted through these accounts represent a structural shift in the Associations finances. The Gymsports increasingly have the means and flexibility to design, plan and implement Gymsport specific initiatives for the growth and development of their respective sports.

Parallel with this shift has been a structural imperative to further support the Gymsports through the employment of dedicated Events and Sports Development Officers (ESDO). It is with pleasure to report that at the time

of drafting this report every Gymsport has a dedicated ESDO, with Women's Gymnastics having a full time ESDO and part time High Performance Manager.

The Board congratulates the NSW State Team for returning from the National Championships with more gold and more medals in total than any other state.

SUPPORTING OUR JUDGES

At the time of writing this report twenty one new Judges have been recognised with an FIG (international) accreditation. The number of new FIG judges exceeds the total number of NSW FIG Judges across all Gymsports during the previous Olympic cycle despite the RG course still not having occurred. It is anticipated that the state will have an additional 12 FIG judges compared with the previous cycle, a 75% increase. This pleasing result can be attributed to a combination of the identification and mentoring occurring in each Gymsport and the financial support provided by the Association through the FIG Judges Reserve established in 2011.

SUPPORTING OUR INTERNATIONAL GYMNASTS

In 2012 85 people represented NSW at international events including 66 gymnasts and 19 officials. \$50,568 was allocated from the High Performance travel reserve to assist these representatives - a record level of funding assistance by the Board.

SUPPORTING CLUBS TO IMPLEMENT SAFE WORKING ENVIRONMENTS

In 2012 Gymnastics NSW invested into the development of a new Workplace, Health and Safety 'APP' to assist gymnastics clubs to be compliant with the new WHS requirements. The APP will be implemented in 2013 and clubs will be expected to complete the checks in time to affiliate in 2014. Recognised by Workcover – NSW Sporting Injuries Committee with an award at its annual awards luncheon, the APP is both innovative and simple to use. The APP represents a commitment by the Gymnastics NSW to support clubs and to promote safe sporting practices.

SUPPORTING FUTURE DEVELOPMENT

Over the past year Gymnastics NSW has sought to achieve two principle objectives within the development portfolio: Increase access to education, and; implement programs that assist clubs to build strong business models of operation.

To increase access the Board is working towards ensuring the transactional costs associated with attending education courses are reduced by minimizing the distances clubs are required to travel to attend a course. In a practical sense the ongoing development of the Education Hubs and Region Grants programs will see more development activities conducted locally. Parallel to this, Gymnastics NSW received a grant from NSW Sport and Recreation to pilot the virtual integration of remote locations and the Head Office for meeting participation and course attendance. At the time of writing this report Gymnastics NSW has entered an agreement that will enable remote committee participation for up to 15 delegates and remote course location for up to 150 participants.

To implement programs that assist clubs to build strong business models the Board has focused upon three areas. Firstly, decreasing compliance costs – the WHS APP will assist in this regard though more work needs to be done in this area to properly equip clubs with the operational tools to run a successful program. Secondly, by promoting more events with a participation focus to balance time pressures faced by families. The idea here is to provide pathways for participants that only train one or two days per week. Investment into the Team Gym APP due for release in late 2013, and the focus upon 'Gymnastics for All' through the Sydney International Gymfest are examples of projects consistent with this objective. The third area relates to capturing new markets that can assist clubs to increase participation at a time when their gym is otherwise operating at less than capacity, such as midday during the week. Rebound Therapy and Gentle Gym are examples of this.

President & CEO Report

SUPPORTING GROWTH THROUGH PROMOTION

Organisational growth has enabled Gymnastics NSW to employ a part time, and at the writing of this report, a full time Marketing and Promotions Manager. Key achievements within this portfolio include combined media coverage of 3.2 Million flowing from the Sydney International Gymfest, 10.5 Million cover from local paper media releases, the introduction of a state mascot, and the launch of GymNSW TV Youtube channel .

The 2012 Annual Awards were held at the ANZ Stadium Homebush in February 2013. Hosting the event as a dinner, at a premier venue proved successful with 457 people in attendance - the highest number on record.

RECOGNISING THE CONTRIBUTION OF MEMBERS

It is with deep sadness that Gymnastics NSW mourned the passing of Mrs Sylvia Bartlett. After surviving with cancer for the past two years Sylvia unfortunately passed away in the morning on Sunday 3 March 2013. Modest and unassuming, Gymnastics NSW is a very different, and much better organisation because of Sylvia's contributions to it. Having retired at the end of 2012 after 23 years serving the Association Sylvia will always be remembered.

2012 saw the retirement of Mrs Shirley Read, Women's Technical Director for the past twelve years. Shirley presided over significant growth in the women's gymnastics area including the introduction of state stream competitions and the introduction of an Elite Management Committee. Shirley is a Life Member of the Association and has already offered her assistance with upcoming events.

WITH THANKS

The Board thanks the Associations principle sponsor ACROMAT, sponsors Coast 2 Coast, GK Sportswear, Winki Pop and the Medal Man, and partners NSW Sport and Recreation, NSWIS, and Gymnastics Australia. The Board thanks the 200 volunteers that serve on the sports thirty committees, the 513 judges that serve the sport at fifty six state events and a further

sixty sanctioned regional events, our state team officials managing approximately 600 state representatives, and our course presenters and assessors delivering seventy eight education courses and workshops in addition to the Professional Development Conference.

The Board acknowledges and thanks the Minister for Sport and Recreation the Hon Graham Annesley MP and Cnr Kevin Scheiber, Sutherland Shire Deputy Mayor for attending the opening ceremony of the Sydney International Gymfest, and it thanks the Association Honorary Legal Representative, Barrister at Law Kerrie Leotta.

The Board would also like to pay tribute to the staff of Gymnastics NSW who have continued to progress gymnastics in NSW, not only as a sport, but in particular as a healthy lifestyle for all.

In closing, Gymnastics NSW looks forward to an exciting year in 2013. As consultation is underway in preparation for the sports next strategic plan, members should be proud of the sports progress and it should rest assured that it has a dedicated, competent and equip team of people working hard to ensure this progress serves as the cornerstone for further development and success in the years to come.

PHILIP WESTERN and AARON BLOOMFIELD

Development Report

2012 was again a busy and successful year for the Development Department of Gymnastics NSW with the employment of two new staff members, Judy Tolhurst (Education Administrator) and Jessie Tulett (Youth Participation Co-ordinator).

WORKFORCE

Education Opportunities

2012 provided an opportunity to review and refine education course delivery with the addition of an extra staff member in this portfolio. 28 Coaching courses, 21 Judging courses and 16 workshops were delivered, including a Level 2 Part 3 in Trampoline – the first time the course has been run in three years.

Teacher Professional Development

Gymnastics NSW continued to work with the Department of Education and Training to offer professional development courses for teachers, increasing the number of courses provided to 13 across metro and regional areas. Two in-service workshops were run for schools, plus attendance at a number of conferences. In total 151 teachers were trained across the state.

Gymnastics NSW continued to promote courses through the University sector, with courses run through Southern Cross University, University of Western Sydney and Newcastle University. Thank you to Karina Jones, Pam Behan and Charmaine Gillies for their support in this area.

Professional Development Conference

2012 launched a 'new look' Professional Development Conference, which included Key Note Lectures on social media, Gymnastics NSW initiatives and a presentation from Bo Hanson, 4 time Olympian and coaching consultant. 153 participants attended the Conference at Macquarie University, with a further 126 attendees at the Coaches Development Day at Castle Hill RSL, which provided additional Gymsport specific workshops.

Aspire to Lead

The Gymnastics NSW Aspire to Lead program

ran for the second year at the Sydney Academy of Sport and Recreation, Narrabeen, providing young leaders with a pathway of opportunities, including education and training. 37 young leaders were selected for the program, an increase of 8 from the previous year.

Gymnastics Youth Advisory Panel

The inaugural GYAP were elected in 2012, consisting of 10 leaders, aged 16-24 from across the state. The GYAP provides a forum for elite young leaders to have a 'voice' regarding their sport and become engaged with the decision making structure. Key achievements of the panel including the implementation of the Young Leader of the Year Award, presented to Elizabeth Napoli, the distribution of a termly e-news and the development of the Young Leader Conference program.

PLACES

Gymnastics NSW membership continued to grow and peaked at 43,440 athletes and 1326 tech members at the end of 2012.

Club Development

Club personnel continued to receive support and training through the Certificate IV in Small Business Management, with 15 participants undertaking the training in 2012.

Club Health Checks

2012 saw the creation of a club health check program, designed to support clubs to address any issues and areas for development. Continued assistance was provided by the Gymnastics NSW Membership Officer through club visits and the utilisation of the 'Fit for Purpose' tool.

Education Hubs

The Education Hub program continued to develop in 2012 with 6 Education Hubs engaged, Armidale City Gymnastics, Altitude Gymsports, Castle Hill RSL Gymnastics, Five Dock Leisure Centre, Hunter Sports Centre and Manly Warringah Gymnastics Club. 2013 will see further development of the program with the identification of additional hubs, the development of education hub calendars

and support to meet educational facility requirements.

OPPORTUNITIES

Rebound Therapy

The Rebound Therapy program continued to develop in 2012 with the development of supporting resources and video library, the addition of Manly Warringah Gymnastics Club as a Rebound Therapy Centre of Excellence and the roll out of courses to 24 participants. The inaugural Excellence in Inclusion Award was presented to Castle Hill RSL Gymnastics Club for their ongoing support and development of Rebound Therapy in NSW.

2013 will see regional implementation of the program and the delivery of school pilots, including a partnership with the Joseph Varga School, Randwick, to deliver fundamental movement and Rebound Therapy programs to their students with special educational needs.

Team Gym

Team Gym continued to develop pace within NSW in 2012 through the delivery of a number of club and state events, thank you to all those that were involved. Valuable program feedback was gathered, which will contribute to the implementation of an updated program in 2013, including the development of a Team Gym coaching 'App'.

Performance Team

The third Gymnastics NSW Performance Team commenced in 2012, their first performance took place at the Gala event at the Sydney International Gymnastics Festival. 2013 will see the team travel to Denmark for the DGI National Sport and Culture Festival.

Kinderfest

The Outerspace theme for the 2012 Kinderfest was a big hit, with a number of sessions selling out, followed by a networking workshop for coaches. Thanks to all involved for sharing their creativity.

Launchpad

Gymnastics NSW welcomed Jessie Tulett, Youth Participation Co-ordinator, to the team to implement the Gymnastics Australia

Development Report

Launchpad program, a gymnastics based fundamental movement initiative for children aged 0-12 years. Nine clubs were accredited with Launchpad status and a total of 4 workshops were run for 52 coaches.

Sydney International Gymnastics Festival

took place September 2012 in the beachside location of Cronulla. The inaugural festival included performance venues on the beach, teams entertaining the crowds in shopping malls, with workshops on offer for performers and spectators alike.

The festival commenced with an opening ceremony which welcomed all teams, coaches, spectators and volunteers to the event. The ceremony commenced with a street parade, a welcoming address at Cronulla Park, followed by a truly 'Aussie' social event at Dunningham Park. The SIGF also incorporated the Australian Gym for Life Challenge, an exciting contest for gymnastic display groups with the performances evaluated as teams vie to be named the Gym 4 Life Champion Team and a 'Postcards from the World' Theatre Show, encapsulating the variety of performance gymnastics as a new artistic form of entertainment. International teams were also provided with an opportunity to perform at Circular Quay.

The festival was designed to promote the benefits of gymnastics to the external community and offer an exciting opportunity for teams of all ages from around the world to demonstrate the diversity of the sport. The SIGF attracted over 600 participants, 20% were international athletes from Japan, Denmark, Germany and New Zealand. Other participants comprised of teams from NSW, Victoria, Queensland and South Australia.

The festival provided a platform to interact with the general public in Cronulla; Cartwheels for Cancer raised \$502 for the Cancer Council NSW and 130 participants attended 'come and try' sessions. Spectators were able to stop and watch performances and sessions at the Mall, Marquee and Circular Quay venues, creating an atmosphere with a 'buzz'.

Exposure of the SIGF and its predominant message of 'gymnastics participation for all ages' was obtained through media channels in the lead-up to, during and after the event. National Media Coverage was obtained through Seven Weekend Sunrise weather crosses, achieving a combined audience of 3.2 million, Sydney Metropolitan Media Coverage (total reach of over 250 000) was obtained through Nova FM, ABC Radio Sydney, Sky Sports Radio – Big Sports Breakfast and 2GB – Ray Hadley Morning Show. Localised print-media coverage was achieved plus the promotion of the event through numerous local, state and national websites and social media outlets.

Gymnastics NSW would like to thank the partners who supported the event, including Gymnastics Australia, Sutherland Shire Council, The Sydney Harbour Foreshore Authority, Tourism NSW, Surf Life Saving NSW, Cancer Council NSW, Balance Water, Spring Free Trampoline, Tacklesport, Northies, Mojo Surf, Kinetic Force Martial Arts, Hogan Print, Kwik Copy, St John Bosco Gymnastics Club, Motorola Radios and Mr Creamy.

Our thanks go to the Hon Graham Annesley MP Minister for Sport and Recreation, Cnr Kevin Scheiber Sutherland Shire Deputy Mayor and Emerald Hughes (soloist) for attending the opening ceremony.

A huge thank you to all our volunteers, staff and NSW clubs who supported the event.

HELEN WEBB

Event and Sports Programs Manager Report

What a year 2012 was for NSW, we achieved record numbers across all competitions, left the combined National Championships winning more Medals than any other State, had 66 Gymnasts compete at International Events, had increased media coverage of events and welcomed in the use of Social Media for crowd interaction at our events. Internally 2012 was a year of consolidation, with new staff coming on mid to late 2011, our focus for 2012 was on developing and connecting with the sport communities and ensure our focus was on delivering the best possible events, State Teams and Squads we could.

2012 saw massive growth in competitions both in gymnasts competing and attendance, some of the key highlights were:

- » Junior State over 1,400 Gymnasts and an attendance of over 3,000 people
- » MG Grand Prix 1 and 5 at Penrith YMCA and Manly Warringah attracting 349 and 314 gymnasts respectively.
- » WG State Stream Titles had 740 Gymnasts compete over 2 days
- » Country Championships had over 800 Gymnasts, 150 Officials and an attendance of over 2,000 people.
- » ACRO 1 - 3A State attracted over 300 Gymnasts and had to be split over 2 days to fit them in

Nationally all NSW State Teams performed extremely well, the State took home more Gold medals and more total medals than any other State. In total NSW took home:

- » 240 Medals in total
- » 88 Gold, 72 Silver and 80 Bronze

The next placed State left the National Championships with 214 total Medals.

2012 was the year that Gymnastics NSW embraced social media at events launching live Twitter feeds at the MG, RG and WG Junior State Championships. With this event being our highest attended we wanted to start taking crowd interaction to the next level at events. Parents had the ability to Tweet to GNSW and those tweets were then displayed on the big screen for all to see. Lead by marketing manager Nicolas Carroll this was extremely well received and will become a main stay at future events.

Internationally once again NSW athletes made up a large proportion of the Australian Teams. In total 66 NSW gymnasts competed either internationally or as a part of an Australian Team within Australia. Some of the highlights were

- » 2 Acrobatic Groups finishing 5th in the finals of the World Championships and World Age Games. With the senior trio from Gladesville RSL Ingrid Dunkley, Annelise Olsen and Melaine Byrne in the Senior International women's group and Perry Drakopoulos and Tara Sahagian in the 11 - 16 International Mixed pair.
- » 3 Gold medals at the Trampoline Indo Pacific Championships held in Sydney. Ethan McGuinness in the under 13's men's Tumbling division, Blake Grainger in the u15's men's Tumbling Division and Shannon Usher for U15 Girls Tumbling division.
- » In Rhythmic we had Jaelle Cohen final in the Pacific Rim Championships
- » MG again saw Prashanth Sellathurai excel, in 2012 he took home Gold in the Slovenia World Cup and Bronze in the Belgium World Cup events on Pommel horse

It would be remiss of me not to mention the hard work and dedication that both the Gymnastics NSW ESDO's and the Sport

Management Committees put into their respective sports. Without their support and tireless efforts our competitions, state teams and squads simply would not happen. They are a vital part of the Gymnastics NSW operations and I look forward to working with these people more closely moving forward.

WHAT'S AHEAD FOR SPORTS AND EVENTS

2013 is shaping up to be our biggest year to date. Once again NSW is home to the Australian National Championships and also hosts the Youth Olympics. We move into the new home of Gymnastics NSW at the Sydney Gymnastics and Aquatic Centre allowing us greater capacity to host major events more often. It will allow multi-sport gym camps to be held in an international standard facility and has accommodation for regional clubs on its doorstep.

Our State Team will again challenge for the overall crown at Nationals, our crowd interaction will be taken to the next level at events and we will continue to strengthen our relationships within the sports.

From 2013 Gymnastics NSW will be looking to make the Annual Awards Night our show piece event in bringing all the Sports together to celebrate the wonderful achievements of the previous years. ANZ Stadium home of the 2000 Sydney Olympics will play hosts for the 2013 awards. The venue is extremely fitting when thinking of the great sporting events the stadium has hosted since being built.

It's an exciting time to be involved with our sport and something that I feel privileged to be a part of.

DAVID VIAL

Marketing Report

Gymnastics NSW received a great deal of success in the marketing space in what was a huge calendar year for the Association, across media coverage, social media and community exposure and engagement.

In consultation with Gymnastics Australia and the PPR company, Gymnastics NSW had a number of its gymnasts featuring in national television spots during Sydney's Australian Gymnastics Championships event.

The Championships also saw the Gymnastics NSW mascot, Kip, make its first competition appearance, performing a number of times and posing for hundreds of photos with the community.

As the Country Championships travelled to Orange, the regional community welcomed gymnastics to the area. The event received a great deal of coverage across the daily news bulletins of Prime and WIN television networks, some fantastic spreads in the Central Western Daily newspaper as well as numerous radio and online interviews.

Gymnastics NSW also launched its own Youtube channel whilst in Orange, delivering a daily review of the Country Championship events.

September's Sydney International Gymnastics Festival was another major media focus for year. Along with some unique and valuable community exposure in the Cronulla area, Gymfest was able to pick up national exposure through television and radio appearances.

The media highlight came with Gymfest hosting the Weekend Sunrise team on Sunday morning, where seven crosses accumulated a total viewership of 3.2 million.

Gymfest also saw the Association create a number of corporate partnerships with over \$25 000 worth of sponsorship accrued for the event. Balance Water and Springfree Trampoline were significant partners for the event, worth a particular mention for their contributions.

With no time to rest, the Junior State Championships went ahead the weekend after Gymfest, where in addition to the Facebook and Youtube coverage, Gymnastics NSW launched a live twitter feed throughout the event.

We were delighted to get hundreds of tweets through which were displayed on the main arena's big screen, with many spectators engaging and getting involved.

2012 also saw the media launch of two Gymnastics NSW 'Centres of Excellence' in education, for Altitude Gymsports and Manly Warringah Gymnastics Clubs, both attracting media coverage and council delegates.

Looking ahead to 2013, we will be looking to continue and build off some of the strategies for fan engagement at events, utilising aspects such as social media as well as Kip.

Major media targets for the Association include the Elite State Championships, Australian Championships, Junior State events, Rebound Therapy as well as continuing the regional success at this year's 2013 Country Championships.

Looking forward to another busy yet exciting year of gymnastics!

The introduction of masters this year has been a real success.

MG Technical Directors Report

I would like to start my report by thanking all of the commission members and acknowledging the efforts they have put into this year. As I have expressed before, without the cooperation and dedication of the commission members, all efforts made towards the growth of men's gymnastics would be futile. I feel the unified vision of the men's gym commission is strong and we have delivered our vision throughout the 2012 calendar year.

With this being my third year as technical director, I am feeling at ease within the role and with the support of a very committed and enthusiastic commission, I face challenges with the confidence that we are making the right decisions for men's gymnastics and our wider gymnastics community.

My role this year was enjoyable and I am proud of the work we have done as commission members, making changes for the better and consistently working to improve the way things are done. I feel we are definitely working in the right direction with our juniors programs and development squads; we also have some very enthusiastic coaches and judges who work hard in our community to achieve all the progress and success we have enjoyed throughout the year.

STATE TRIALS AND NATIONAL CHAMPIONSHIPS (LEVELS 6-10)

Two excellent trials at Glendale and SOP- both were very well run events without any problems. There was some very close competition in some levels, which added to the excitement and spirit of the event. NSW State Championships was held at Sydney Olympic Park and was the showcase event for NSW Gymnastics and a chance for our boys to compete for State Team selections for the National Championships. This is always a great competition and I was impressed with some of the work being done to lift the level of performance in NSW in these higher levels.

NATIONAL CHAMPIONSHIPS

This year's nationals were held in our home state which comes with its own dilemmas.

The commission decided that it would save money and agreed for the state team not to stay in team accommodation. This created a challenging task with the organisation of team members to meet for training and competition and it was difficult to get that same team spirit we usually have.

We did have a team-bonding day in the prelude to the national championships, held at the NSWIS where we handed out team badges, appointed team captains, had a guest speaker for some motivational and inspirational talks and of course a BBQ to feed the hungry boys. Thankyou to the volunteers and especially Chris for organising the day.

GRAND PRIX EVENTS

- » This year kicked off with our 1st GP held at Penrith with massive intake of gymnasts making for a very long day. It was a great event to start our grand prix series and our first to include master's competitors.
- » GP 2 in Orange was once again included into country championships, which is a great event to bring town and country together. Orange did bring on some beautiful cold weather to make it extra special. I myself did come back from retirement to join in the master's competition, giving me a reason to get in those shorts again and compete. I did feel like a celebrity with the announcement of the routine and the audience giving a great applause at the end.
- » GP 3 in Glendale was as always a great event. The schedule ran smoothly thanks to all involved.
- » GP 4 in Armidale was the first time the region held a GP. It was very exciting to have a new venue to go to. Armidale put on a great comp- thanks to the volunteer's who ran the cake store with some delicious cakes.
- » GP 5 in Manly was another first for the Manly /Warringah club. In their great new venue we were able to run double panels for judging making it go very fast. It was a very well run competition and the last before the major event of state championships.

The grand prix final, which will be held in main stadium at SOP this year, is set to be a

fantastic event. It is close between the top 3 clubs fighting out for that number one spot. The introduction of masters this year has been a real success. It is very positive for young boys to see their coaches and other older gymnasts coming out of retirement and showing them that gymnastics can be a sport to enjoy for many years. I hope the momentum continues for 2013.

To wrap up my comments for 2012, I feel it was a very successful year for the commission and that once again, without the commitments from all involved it would be impossible to achieve the things we do and to strive for the growth and success that we all want to see in men's gymnastics. I would like to extend a large and genuine thank-you to our men's gymnastics community for all your help and commitment in 2012.

Special thank you to our Commission members for all your efforts and hard work:
David Conway
Martin Shields
Liz Medway
Trish O'Connell
Tim Cory
Chris Martin (Program Manager)

I would like to thank in particular David Conway for his outstanding efforts in his role as judging coordinator. I think he is doing an amazing job handling this sometimes-stressful position.

Thank you to our new commission members; your new ideas and thoughts have driven some great change.

The vision of the commission is always looking forward to how best develop, improve and grow men's gymnastics. I hope for us to continue with this positivity and enthusiasm and I look forward to another busy but great year in 2013.

Thank you,
ANTOINE RIZZO

A young female gymnast with dark hair in a high ponytail, secured with a red bow. She is wearing a black leotard with red accents and white dots. Her arms are raised in a graceful, arched position, and she is smiling. The background is a plain, light-colored wall.

There has been an increase in the number of entries at all levels of WG gymnasts. The area of biggest growth for 2012 was in the State Stream with a 20% increase from 2011. Level 1-3 State Clubs also saw an increase of 40% in its second year.

WG Technical Directors Report

During 2012 the SMC has been able to earmark funds especially to help our sport:

1. \$3,000 for education initiatives
2. \$3,000 for the squads program
3. \$4,000 for the National Championships subsidy

Congratulations to all the gymnasts and coaches and thank you to all the Officials, Chaperones and Judges for all your great efforts and contributions. The SMC was very pleased with the improved results for NSW and would like to thank all the coaches and judges for working so hard to achieve this improvement.

The Gala Event was a great success with a record 568 entries. Thank you to Manly Warringah Gymnastics Club and their wonderful coaches Sam and Kiri for their tireless work for this event.

I am very pleased about how well the Squad Training has developed, with great feedback from the coaches and gymnasts involved. I feel with these squads, gymnastics will grow and coaches and judges will benefit greatly from these Training Squad days.

Thank you to Michelle Olsson for organising all the Master Coaches. And of course thanks to all the Master Coaches who gave their time and shared their wealth of knowledge.

There has been an increase in the number of entries at all levels of WG gymnasts. The area of biggest growth for 2012 was in the State Stream with a 20% increase from 2011. Level 1-3 State Clubs also saw an increase of 40 in its second year.

The Sydney Gymnastics and Aquatic Centre (Rooty Hill) is due to open in the second half of 2013. This Centre will help greatly in the area of competitions and related training. We will not have to worry about where we can hold large competitions anymore and the cost to hold them. This Centre can cater for all our sports.

As many of you will know by now, I am standing down from the SMC at the conclusion of this AGM after more years than I care to remember. And this is my 10th year as chairperson. It is time to make way for others coming through.

It is with some sadness of course that I leave the SMC. I have enjoyed my time on this committee together with the friendships made and feel we have moved forward in helping Women's Gymnastics grow in NSW.

I wish you all the best and look forward to seeing you at some of the larger competitions during the coming years.

In closing I would like to thank all the Office Staff for their continued support and wish them well in the coming years. I would like also to say thank you to Anne Scott who has taken on the WG Events and the Sports Development Officer role. Anne has certainly made things a lot easier and has helped me greatly. Anne and I go back almost to 1979 when she first started coaching our daughter Lisa. And Anne may well still be the only WG coach in Australia to have coached a gymnast all the way from pre-levels to Senior International and World Championships representation in Rotterdam in 1987.

A large thank you to the SMC members for all your support and I wish the new Committee well. You have all been a wonderful help to me over the years. Thank you.

SHIRLEY READ

*Our teams All Around
and Apparatus finalists
captured more than 60%
of the medals on offer.*

RG Technical Directors Report

2012 has overall been a successful year for Rhythmic Gymnastics in NSW.

The year started with Jaelle Cohen and Michaela Whitehouse travelling with the Australian team to the Pacific Rim Championships in Everett, Washington. The girls came home with some great results with Michaela placing 18th in the All Around competition and Jaelle qualifying for the Clubs Final.

The Australian Gymnastics Championships in Sydney was a successful event with NSW fielding a full squad in almost all divisions. The team claimed the overall 2012 National Champion in Level 7-10 National and received a podium finish in all International & group divisions. Our teams All Around and Apparatus finalists captured more than 60% of the medals on offer. Dani Le Ray continues to produce very skilled gymnasts with more than one third of our State Squad representing one of her three clubs.

The National Championships competition was also a selection trial for the New Zealand Tour, with 10 NSW gymnasts selected to travel with the Australian team. The girls once again had a strong competition taking out the All Around title in Level 8 - 10 National and the Senior International competition.

Our Junior State Championships had an exceptional number of entries, with 330 gymnasts competing in Level 1-6 and International 5&6 divisions. It would not have been possible to deal with our growing numbers without the additional day that GNSW had added to the event.

The 2012 competition season also saw the first time the RG Special Olympics program was included in our competitions. The gymnasts had the opportunity to compete at both the Country Championships and Challenge Championships. This was a great success, with 13 gymnasts from Yotala and Special Olympics Sydney Northern supporting the competitions. The support from the judges, volunteers and audience for

these gymnasts was very encouraging and something that will be continued in 2013.

Country Championships gave the opportunity for our country gymnasts to compete in both individuals and multiples competitions. A big congratulation goes to the Queanbeyan YMCA rhythmic girls for taking out the Overall Country Club across all gym sports.

In November, the Australian Youth Olympic Festival selection trial was held in Melbourne. We once again topped the competition with 6 of the 8 gymnasts selected onto the Australian team coming from NSW.

At the end of the year, the L'Elfin Gymnastics club was the host to a National camp for Junior International gymnasts, coaches and judges. This event was a great success and an opportunity for judges and coaches to get familiar with the new 2013-2016 Code of Points.

Finding affordable venues that meet our requirements has become difficult and the rhythmic community looks forward to moving to Rooty Hill in 2013.

A number of people continue to make our sport function. Many thanks to our SMC committee members, volunteers, a supportive RG community and the office staff for their contribution.

CAROL LANE

Previously, only three Australian groups have ever made the finals at Worlds. In 2012, four Australian groups made the finals and all were from NSW.

ACR Technical Directors Report

Acrobatic Gymnastics in New South Wales had a hugely successful year both domestically and internationally.

The sport enjoyed its 11TH consecutive year of growth with a record number of acrobats across more than 20 registered NSW clubs. The competition schedule for State Stream and National Stream State Trials and Championships were reversed in 2012 following Gymnastics Australia's decision to hold Nationals in June.

State Stream competitions for Levels 1, 2, 3 & 3A were therefore held later in the year over August-September. National & International Stream competitions for Levels 4 – 10 and international divisions 11-16yrs, 12-19yrs and Seniors were held over February - May.

The 2012 competition entries were excellent. The two State Stream Trials, held at Menai & Riverwood attracted massive entries, of which a record 260 athletes qualified and advanced to the State Championships at Riverwood on September 1 & 2. The two National/International Stream Trials, held at Westfields and Ryde attracted around 400 entries, of which 241 athletes qualified and advanced to the State Championships at Homebush on March 31 & April 1.

For the Australian National Championships at Homebush May 28-June 2, NSW sent a huge team of almost 200 competitors, chaperones, judges and coaches. The entire team's performance was outstanding, with NSW retaining the National shield in a dominate result collecting 19 of the 24 gold medals on offer.

However, the highlight of the year for NSW Acrobatic Gymnastics came in April at the World Championships in Orlando, Florida, USA. Australia sent seven groups to the World Championships, five from NSW. Previously, only three Australian groups have ever made the finals at Worlds. In 2012, four Australian groups made the finals and all were from NSW. The Senior Womens Trio and 11-16yrs Mixed Pair each finished in 5th place, with the

11-16 Womens Pair and 11-16 Womens Trio each finishing 8th. This was an outstanding result for the athletes, their coaches and their clubs and for the NSW coaches and officials serving on the World team.

The success of acrobatic gymnastics in NSW requires the assistance and support of a large team of club volunteers, officials and judges and NSW is fortunate to have a strong team. To all the club volunteers, judges and officials who worked tirelessly at State Trials, State Championships, National Championships and supporting events and activities in 2012, I would like to extend the sincere thanks of the NSW Acrobatic Gymnastics SMC for your effort and commitment to the sport.

The growth and development of sports acrobatics in NSW looks certain to continue over the next 12 months and I trust by continuing to work diligently with the staff and management of Gymnastics NSW, we can all contribute to the developing prominence of acrobatic gymnastics in NSW and Australia.

I would like to thank the members of the SMC for their dedicated work over the past 12 months: judging coordinator Amy Yeomans, coaching coordinator Michelle Mason, and project officers Mia Romano, Pip Corbett and Russell Telford. All have been involved in endless hours of competition, discussion, planning, documentation, review and presentation in their volunteer roles. To all I offer the acro community's sincere appreciation.

TONY BARBER

A NSW team of 89 attended Nationals coming away with five National Championship titles, three athletes qualified for the Australian National Squad and three athletes qualified for the Development Squad.

AER Technical Directors Report

EDUCATION

Coaches Course – Held at All Saints Girls Catholic College in February. Course was well attended.

Judges Courses – four courses held in 2012
Beginner Courses were held in Lismore & Sydney in March

Reen Light, Ashleigh Donovan, Rachael Vittorias & Kate Weber

Intermediate Bronze was held in Sydney in March
Corrina Clark & Pearl Rozenberg

Advanced Course held in Lismore
Chris Behan

Due to World Championships commitments the Advanced course scheduled in May was cancelled.

Congratulations to all participants as they passed their respective courses.

STATE COMPETITIONS

Trial #1 – 1st April St John's College Lismore
Far North Coast, this competition was supported 42 athletes traveling from Sydney, Sunshine Coast and locally.

Trial # 2 – 1st July MLC Burwood, Sydney –
Aerokools Trial 88 school athletes and 80 athletes in the GNSW event.

Trial #3 – 21st July All Saints Girls Catholic College – Aerokools Trial 145 school athletes and 96 athletes in the GNSW event.

State Championships – 10th & 11th August
Whitlam Centre, Liverpool - State Aerokools 165 school athletes, 107 athletes for GNSW State Championships. This event was combined with Cheer State Championships.

All competitions in 2012 saw an increase of participants.

State Team Training - MLC Burwood hosted the State Team Training day on 12th August. Coaches, Judges, Officials and athletes attended a fantastic day.

NATIONAL CHAMPIONSHIPS 2012

NSW State Team 76 Athletes and 12 Officials
Team Manager – Pam Behan

Assistant Team Manager – Pearl Rozenberg
Chaperones – Andra Alvez, Donna Culhane, Tina Graham & Emma Rolfe

Judges – Pam Behan, Patsy Tatian, Dianne Kerr – National Tabulator

NSW Head Coach – Kate Weber

NSW Coaches- Marty Fotea, Reen Light, Laura Pemberton & Nadine Robinson

Congratulations to all athletes in being selected to represent NSW.

NSW saw fantastic results with our State tally
GOLD 5 SILVER 7 BRONZE 7

2012 NATIONAL CHAMPIONS

Bridget Rieger – National A Adult (Ikin Dance Australia)

Elizabeth Kidane – National B Sub Junior (Kinetic Force Fitness)

Auroa Crain, Sarah Wang & Gina Zheng – Level 3 Senior Team (Hype Sport Aerobics)

Skye De Gouveia & Chloe Plazanin – Level 2 Junior Pair (Oatley RSL Youth Club)

Kelly Newton & Naomi Roosevelt – Level 1 Senior Pair (Hype Sport Aerobics)

2012 AEROSKOOLS NATIONAL CHAMPIONS

Marie Aguinaldo & Elizabeth Kidane – Level 1 Sub Junior (All Saints Primary)

Erin Modaro & Sophia Nicitia – Level 2 Junior Pair (Abbotsleigh Senior School)

Erin Modaro, Sophia Nicitia & Mary-Louise Fleischner – Level 2 Junior Trio (Abbotsleigh Senior School)

INTERNATIONAL COMPETITIONS

Suzuki World Cup – Japan - April

Athletes - Koby Moore (Ikin Dance Australia), Stephanie Keily (Ikin Dance Australia & Sophie Beucker (North Coast Gymnastics).

Head of Delegation – Pam Behan

Aerobic Gymnastics World Championships & Age Group World Championships – June

Athlete- Sophie Beucker (North Coast Gymnastics).

Head of Delegation – Pam Behan

ANAC World Series Event – July, Las Vegas

Head of Delegation – Pam Behan

Japan Open Tour – July

Athletes – Maddison Kerr (North Coast Gymnastics)

2012 – 2013 NATIONAL SQUAD

Congratulations to the following athletes
Koby Moore Senior International – Ikin Dance Australia

Stephanie Keily Age Group 2 – Ikin Dance Australia

Maddison Kerr Age Group 2 – North Coast Gymnastics

2012 – 2013 DEVELOPMENT SQUAD

Congratulations to the following athletes
Bridget Rieger national A Adult – Ikin Dance Australia

Samantha Panos National A Senior – MLC
Elizabeth Kidane National B Sub Junior- Kinetic Force Fitness

I would sincerely to thank the AER SMC, coaches, judges and volunteers over the year for your support, passion and commitment.

PAM BEHAN

A male gymnast is captured in a handstand position, balancing on a red mat. He is wearing a black leotard with bright green straps and white pants. His legs are extended upwards, and his arms are supporting his weight on the mat. The background consists of large panels in blue, red, and purple, with white abstract shapes.

NSW Judging Co coordinator and Head Coach Brett Austine was named as a Judge for the London Olympics. At this event he was the Chair of Judges on the Women's event and Difficulty Judge for the Mens.

TRP Technical Directors Report

2012 was a good year for Trampoline Sports in NSW.

After a very compacted qualifying period we attended the combined National Championships that were held at the State Sports Centre.

We had great results at the Nationals winning the Overall Age Trophy as well as the Trampoline, Double Mini Tramp, Tumbling and Synchro discipline trophies. Our Gymnasts won a total of 23 Gold, 18 Silver and 21 Bronze a fantastic result.

The negatives from this event were the drawn out competition schedule and the Team not staying together which I am sure will be fixed next year.

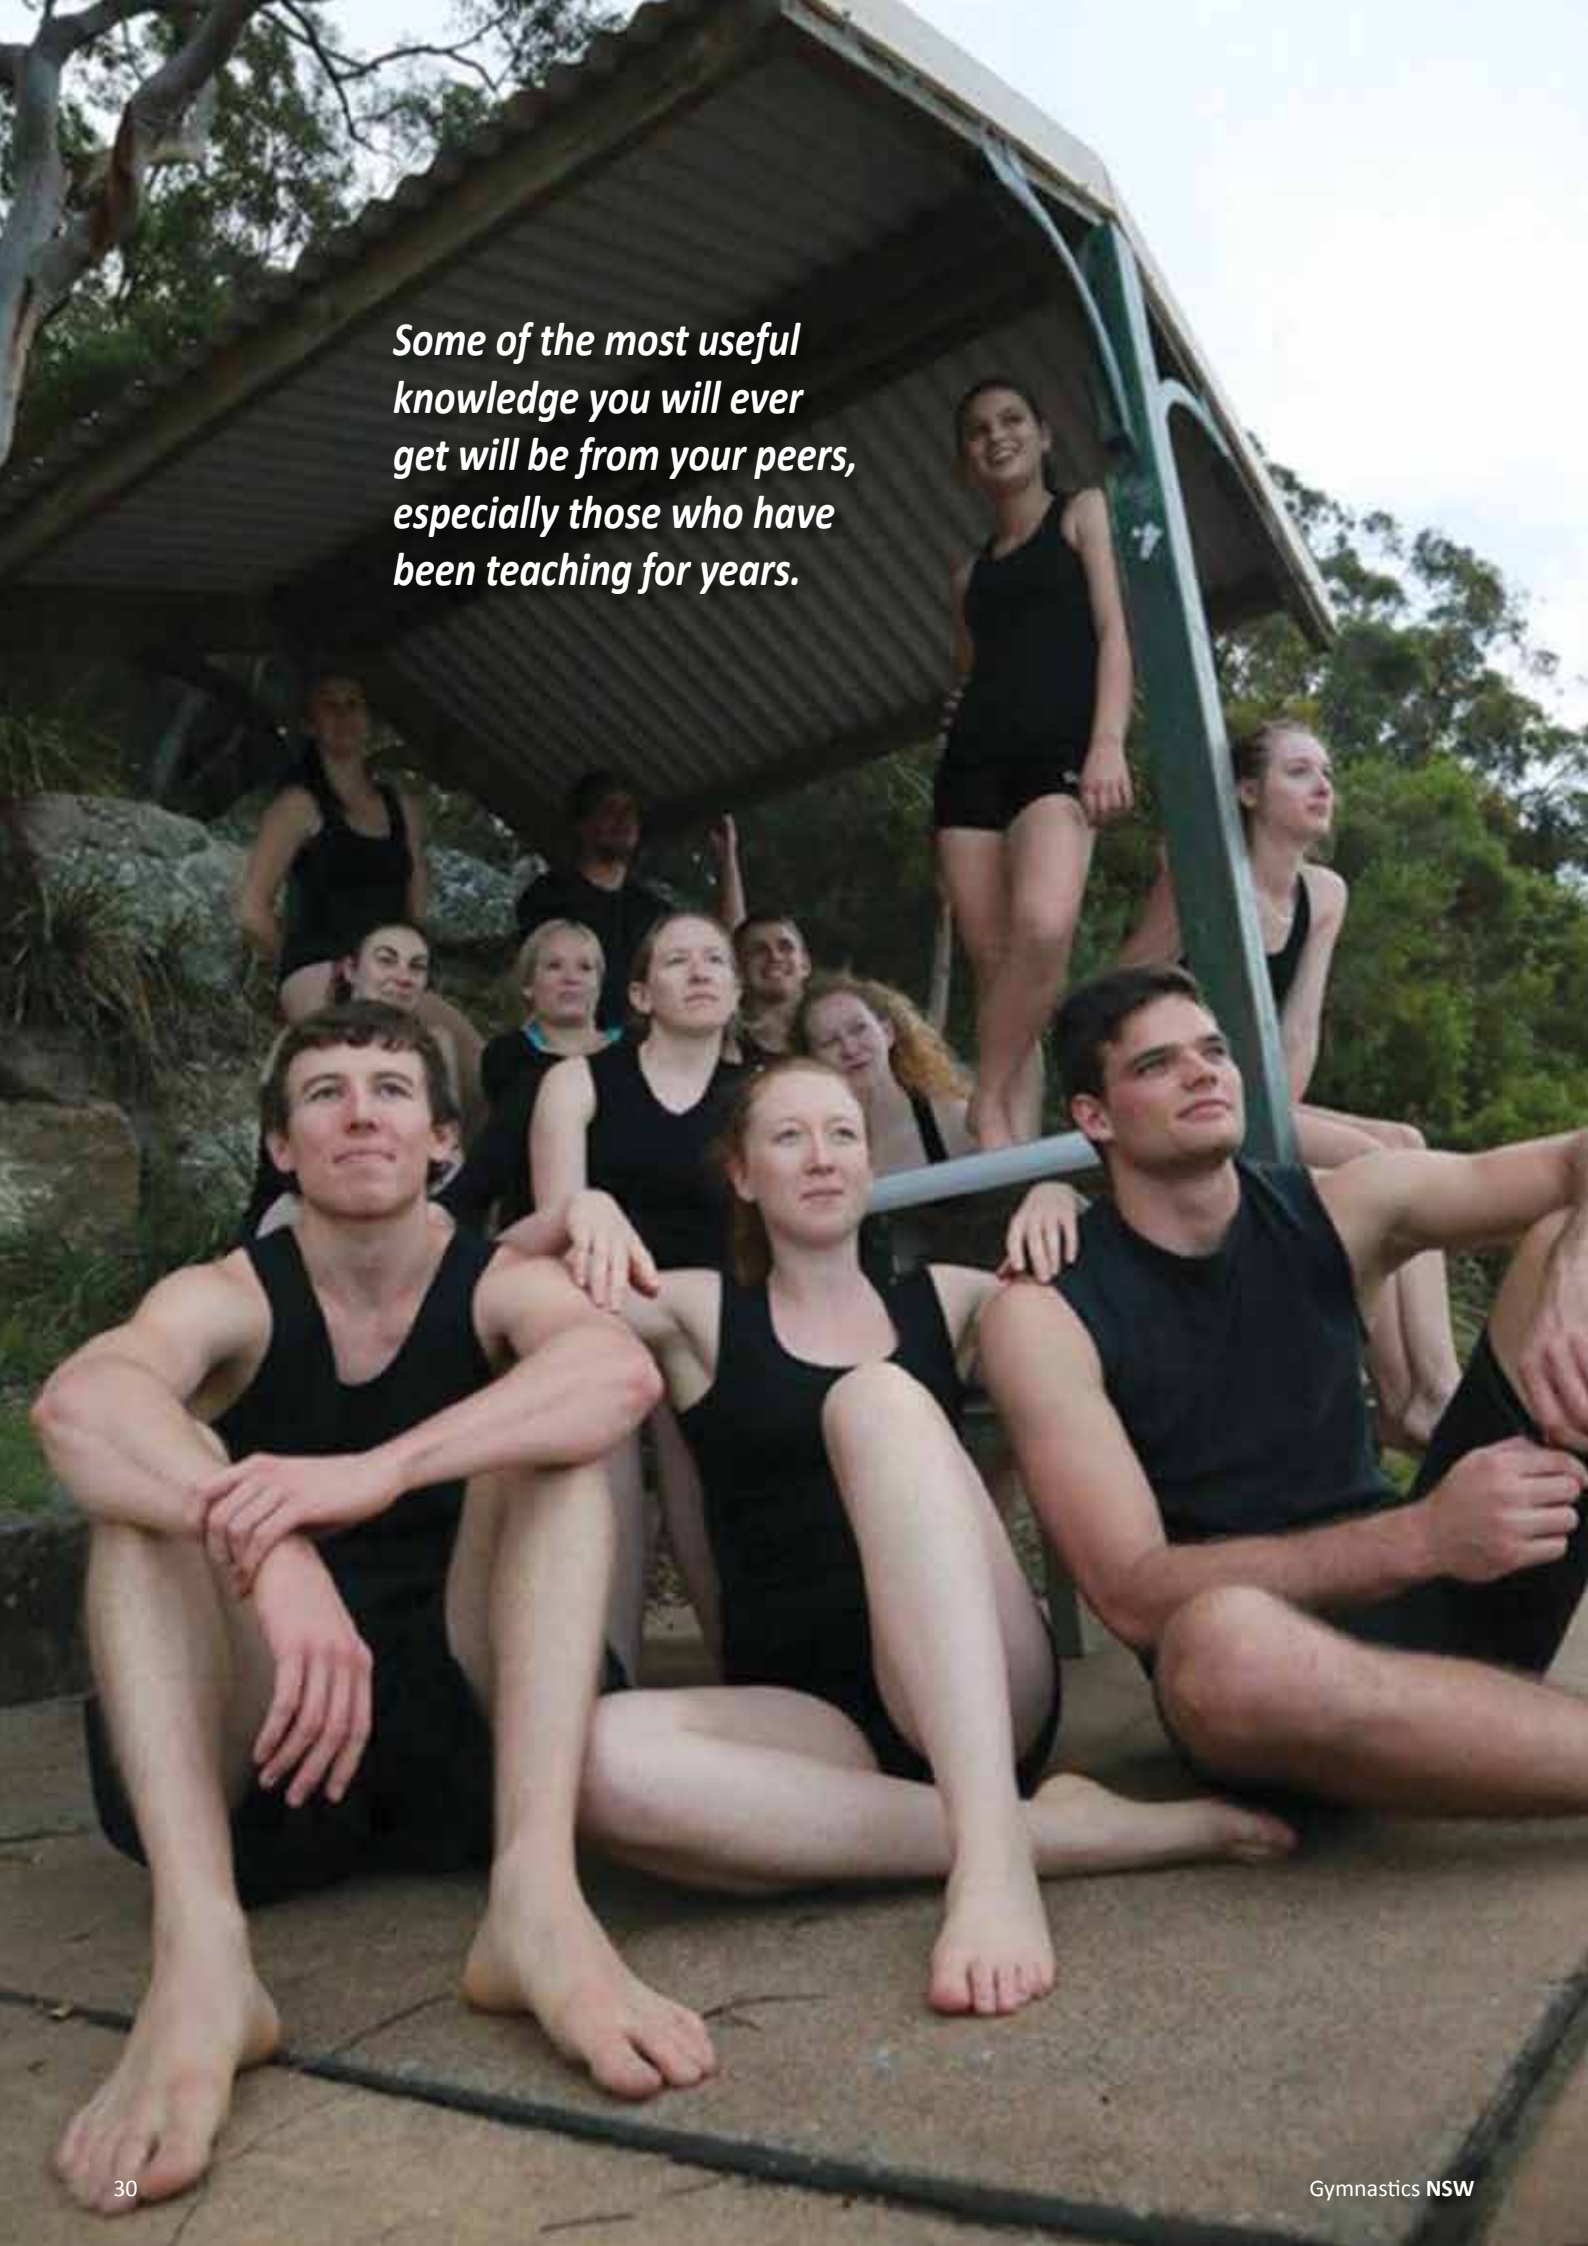

NSW Judging Co coordinator and Head Coach Brett Austine was named as a Judge for the London Olympics . At this event he was the Chair of Judges on the Women's event and Difficulty Judge for the Mens. I'm sure that he did both NSW and Australia proud.

I attended a meeting in Melbourne where one of the discussions was of the restructure of the Coaching Courses to align with the Judging this should start to be rolled out in January 2013.

NSW had many gymnasts and officials selected in the Australian Team that competed at the Indo Pacific Competition at the SSC. I congratulate them all on their results and know that all of them have gained valuable knowledge from this experience.

In closing I would like to acknowledge the assistance of the NSW Office.

JULIE BARTLETT

A group of young gymnasts, both male and female, are posed on a wooden structure with a corrugated metal roof. They are all wearing black leotards and are barefoot. The group is arranged in several rows, with some sitting on the ground in the foreground and others standing or sitting on the structure behind them. The background shows trees and a clear sky. The text is overlaid on the upper left portion of the image.

Some of the most useful knowledge you will ever get will be from your peers, especially those who have been teaching for years.

2012 GFA Chairpersons Report

2012 was an extremely busy year with the culmination of the Sydney International Gymfest in September.

THE SYDNEY INTERNATIONAL GYM FEST

The Sydney International Gymfest finally happened in September 2012, after a number of years of planning and preparation. The event was a great success with over 600 participating athletes, and international guests from Denmark, Japan, Germany and New Zealand, as well as inter-state teams.

The event was partnered with the Australian Gym 4 Life Challenge, which created an exciting atmosphere on the foreshore in Cronulla. With free entry to the venues, the general public were able to see some great performance gymnastics, and kids having a fun time.

Thanks must go to the volunteers who assisted with this event. There was a wide range of jobs covered by volunteers and it goes without saying that the event would not have been able to proceed without their support.

Although Don Bollard was not able to attend the event, special thanks goes to Don and Judy for their involvement in the beginnings of this event.

GYMNASTICS GALA – POSTCARDS FROM THE WORLD

One of the more formal elements of the Gymfest was the Gymnastics Gala, titled Postcards From the World. This show was a follow up to last year's show, and saw not only the Australian teams perform on the stage under lights, but also the international teams showcased their performances to the crowd. Special thanks to Ben Cork, for the mountains of work on this project; it would not have happened without him.

Whilst some elements of the gala were a little stressful, I think all would agree it was a huge success and great way to showcase performance gymnastics on the theatre stage.

GNSW PERFORMANCE TEAM NO. 3

The 3rd GNSW Performance Team commenced in 2012, with Auditions held mid- year. The team's first performance commitment was the Gymnastics Gala at the Sydney International Gymfest, where they did a spectacular performance to close the show. Congratulations to Ben Cork – Team Coach GNSWPT 3.

It is planned that the team will continue to train into 2013 and travel to Denmark mid-year to perform at the DGI National Sport and Culture Festival.

PERFORMANCE TEAMS TRAVELLING OUTSIDE NSW

NATIONAL GYMNASTICS FESTIVAL – TOKYO JAPAN

TEAM GYM

Whilst the primary focus of 2012 was undoubtedly the Sydney International GymFest, a limited number of Team Gym Events continued to run during the last year.

A sanctioned event was hosted by GymTastic at Picton in August which drew entries from across the state, including several new clubs. Special thanks must go to Sheryl Faulkner and her team at GymTastic for running a great event. Feedback from spectators and participants was universally positive.

The NSW State Championships was held at the Anzac Sports Complex, Engadine, on November 18. Participation numbers were down on previous years but this is unsurprising considering the exhausting range of activities offered in the previous months as part of the Sydney International.

Thanks to Ben Cork, Sheryl Faulkner, Jessie Tullett, Matt Angel and Helen Turnbull for volunteering at the State Championships as Judges.

Written and oral feedback was gathered after the event and formed the basis of a major

review of the Code of Points which was conducted during November and December. Thanks to Michelle Mason from Altitude GymSports & Ben Cork who gave up several days of her time and provided significant input into the development of the revised code.

The new Code of Points is now being finalised and will be distributed to clubs in the first quarter of 2013. Significant changes include amendments to the list of group and partner balances in each level and clarifications of skill difficulty for the purpose of determining intensification.

KINDERGYM

Kinderfest was once again a very successful event. 2012 theme was Outer Space and we had 2 sold out sessions. I would like to thank all the coaches who attended as they did such an amazing job. The gym was transformed into a wonderful outer space play adventure. It was also nice to see some new clubs participate in Kinderfest.

Kinderfest was followed by an educational workshop for coaches where ideas and themes were shared amongst attendees. Coaches never cease to amaze me with their ingenious ideas and creative minds. Some of the most useful knowledge you will ever get will be from your peers, especially those who have been teaching for years.

With the opening of our new Educational Hubs, a lesson plan for 2013 Kinderfest will be supplied to each Hub. The Hubs will run their own regional Kinderfest. A regional Kinderfest will then be more accessible for both coaches and children from the broader community.

Participating in Kinderfest as a coach at a station will give you 3 updating points with the coaches updating workshops providing additional 3 updating points. This is a great way to make sure you get your KG accreditation points for the next year!

JUSTIN HAYES

COMMITTEE'S REPORT

Your committee members submit the financial report of New South Wales Gymnastic Association Incorporated for the financial year ended 31 December 2012.

Committee Members

The names of committee members throughout the year and to the date of this report are:

- Philip Western
- Jane Cooke
- Bernard Hui (resigned 19/12/12)
- Virginia Elliot
- Gloria Nicol
- Aaron Bloomfield

Principal Activity

The principal activity of the association during the financial year was:

- To encourage, develop, promote and control the study and practice of gymnastics as an art form and sport for the people of New South Wales.

Significant Changes

No significant change in the nature of the activities occurred during the year.

Operating Results

The profit amounted to \$59,455.10.

Signed in accordance with a resolution of the Members of the Committee.

Philip Western
President

Dated this 10th day of May 2013

Gloria Nicol
Elected Delegate

Dated this 10th day of May 2013

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

1 Statement of Significant Accounting Policies

These financial statements cover New South Wales Gymnastic Association Incorporated as an individual entity. New South Wales Gymnastic Association Incorporated is an association incorporated in New South Wales under the *Associations Incorporation Act 2009*.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards, (including Australian Accounting Interpretations) and the *Associations Incorporation Act 2009*.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions to which they apply. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue on 10 May 2013 by the members of the entity.

(a) Income Tax

The association is exempt from income tax under the Income Tax Assessment Act 1936 as amended.

(b) Inventories

Inventories are measured at the lower of cost and net realisable value.

(c) Property, Plant and Equipment

Each class of Property, Plant and Equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

The carrying amount of Property, Plant and Equipment is reviewed annually by committee members to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED
ABN 42 404 151 760

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

Depreciation

The depreciable amount of all fixed assets including buildings, excluding land is depreciated on a straight line basis over the asset's useful life to the entity commencing from the time the asset is held ready for use.

Assets purchased with a value of less than \$1,000 are fully depreciated in their first year of use.

The depreciation rates used for each class of depreciable assets are:

<i>Class of Fixed Asset</i>	<i>Depreciation Rate</i>
Buildings and Improvements	4 – 25%
Plant and Equipment	20 – 33%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of comprehensive income.

(d) Financial Instruments

Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instruments. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (ie trade date accounting). Financial instruments are initially measured at fair value plus transaction costs except where the instrument is classified 'at fair value through profit and loss', in which case transaction costs are expensed to profit and loss immediately.

Classification and subsequent measurement

Financial instruments are subsequently measured at fair value, amortised cost using the effective interest rate method or cost. Fair value represents the amount for which an asset could be exchanged or a liability settled, between knowledgeable, willing parties. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment and adjusted for any cumulative amortisation of the difference between the initial amount and the maturity amount calculated using the effective interest method.

Financial assets at fair value through profit or loss

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking, where they are derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in fair value (ie gains and losses) being recognised in profit or loss.

NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED
ABN 42 404 151 760

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost.

Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost.

Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature, or they are designated as such by management. They comprise investment in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with changes in such fair value (ie gains or losses) recognised in other comprehensive income (except for impairment losses and foreign exchange gains and losses). When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit and loss.

Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost.

Impairment

At the end of each reporting period, the entity assesses whether there is objective evidence that a financial instrument has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value of the instrument is considered to determine whether impairment has arisen. Impairment losses are recognised in the profit or loss. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability which is extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

(e) Impairment of Assets

At each reporting date, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Income Statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED
ABN 42 404 151 760

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

(f) Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period.

Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the entity to an employee superannuation fund and are charged as expenses when incurred.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the balance sheet.

(h) Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any discounts and rebates allowed.

Revenue from registration and affiliation fees is recognised on receipt by the association and applied to the financial year it relates to.

Grant revenue is recognised in the statement of comprehensive income when the association obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the association and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the association incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the balance sheet as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Revenue from the sale of goods is recognised at the point of delivery as this corresponds to the transfer of significant risks and rewards of ownership of the goods and the cessation of all involvement in those goods.

Interest revenue is recognised using the effective rate method, which for floating rate financial assets is the rate inherent in the instrument.

All revenue is stated net of the amount of goods and services tax (GST).

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised at part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED
ABN 42 404 151 760

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2012

(j) Critical accounting estimates and judgments

The members of the committee evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

Key estimates – Impairment

The entity assesses impairment at each reporting date by evaluating conditions specific to the entity that may lead to impairment of assets. When an impairment trigger exists, the recoverable amount of the asset is determined. Fair value less costs to sell or current replacement cost calculations performed in assessing recoverable amounts incorporated a number of key estimates.

(k) Comparative Figures

Where required by Accounting Standards, comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(l) New Accounting Standards for application in Future Periods

The Australian Accounting Standards Board has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods and which the entity has decided not to early adopt. It has been determined that adoption of these new pronouncements, when effective, will have no material impact on the entity future reporting periods.

4 Trade and other receivables (cont.)

Credit Risk

The association does not have any material credit risk exposure to any single receivable or group of receivables.

The following table details the association's trade and other receivables exposed to credit risks with ageing analysis and impairment provided thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the entity and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the association.

The balances of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

Financial Risks Management Policies

The finance committee consists of senior board members and the committee's overall risk management strategy is to assist the entity in meeting its financial targets whilst minimising potential adverse effects on financial performance. Risk management policies are approved and reviewed by the finance committee on a regular basis. These include credit risk policies and future cash flow requirements.

Specific Financial Risk Exposures and Management

The main risks the entity is exposed to through its financial instruments are credit risk, interest rate risk and liquidity risk.

(a) Credit risk

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to financial loss for the entity.

The maximum exposure to credit risk by class of recognised financial assets, at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

Trade and other receivables that are neither past due nor impaired are considered to be high credit quality. The entity does not have any material credit risk exposure to any single receivable or group of receivables. Refer to note 4.

Credit risk related to balances with bank and other financial institutions is managed by the finance committee by only investing in with Australian banks with a high Standards & Poor's ratings.

2012 **2011**
\$ **\$**

14 Financial Risk Management (Continued)

(b) Market Risk

(i) Interest rate risk

Exposure to interest rate risk arises on financial assets and liabilities recognised at the end of the reporting period whereby future change in interest will affect future cash flows or the fair value of fixed rate financial instruments. The entity is also exposed to earning volatility on floating rate instruments.

(ii) Price risk

Price risk relates to the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices of securities held.

The entity is not exposed to any material commodity price risk.

(c) Liquidity Risk

Liquidity risk arises from the possibility that the entity might encounter difficulty in settling its debts or otherwise meeting its obligations in relation to financial liabilities. The entity manages this risk by monitoring forecast cash flows and ensuring that adequate short term reserves are available to cover cash flow projections.

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates.

Net Fair Values

The net fair values of financial assets and liabilities approximate their recognised carrying values. The aggregate carrying amounts of financial assets and liabilities are disclosed in the statement of financial position and in the notes to the financial statements. No financial assets and financial liabilities are readily traded on organised markets in standardised form. Financial assets where the carrying amount exceeds net fair values have not been written down as the entity intends to hold these assets to maturity.

STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the committee the financial report as set out on pages 2 to 18:

1. Presents a true and fair view of the financial position of New South Wales Gymnastic Association Incorporated as at 31 December 2012 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that New South Wales Gymnastic Association Incorporated will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

Philip Western
President

Gloria Nicol
Elected Delegate

Dated this 10th day of May 2013

Dated this 10th day of May 2013

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED

Report on the Financial Report

We have audited the accompanying financial report of New South Wales Gymnastic Association Incorporated (the association) which comprises the statement of financial position as at 31 December 2012, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Associations Incorporation Act 2009*, and for such internal control as the committee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

INDEPENDENT AUDITORS REPORT TO THE MEMBERS OF NEW SOUTH WALES GYMNASTIC ASSOCIATION INCORPORATED

Qualified Auditor's Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had the limitation as discussed in the qualification paragraph below not existed, the financial report is in accordance with the *Associations Incorporation Act 2009* including:

- (i) giving a true and fair view of the association's financial position as at 31 December 2012 and of its performance for the year ended on that date; and
- (ii) complying with Australian Accounting Standards.

Qualification

As common for an organisation of this type, it is not practicable for the association to maintain an effective accounting system of internal control over subscriptions, donations and other fund raising activities until their entry in the accounting records. Accordingly, our audit in relation to fundraising was limited to amounts recorded.

GLENN MCEWEN

THOMAS GLC
HORNSBY NSW

Dated this 13 day of May 2013

New South Wales Gymnastics Association

FINANCIAL REPORT Year Ended 31 December 2012

Overview

The New South Wales Gymnastics Association Incorporated ("the Association") presents the Financial Reports for the period ended 31 December 2012.

The past 12 months have seen a surplus recorded of \$59,455.

Detailed Results

The audited results for the financial year ending 31 December 2012 are included in the Annual Report. However, a summary of the Association's operating results by major activity are outlined in the following table. To enable comparative analysis the corresponding period for the previous year and the variances are shown by category.

NSW Gymnastics Association Incorporated Ltd Financial Analysis For Period Ended 31 December 2012

	Income	Expenditure	Operating Surplus		
			12 months to 31 Dec 2012	12 months to 31 Dec 2011	Variance

Notes:

1. Expenditure related to Grants and Sponsorship included in other categories

2. Squad expenditure excludes superannuation, insurance, transport costs and equipment maintenance.

Registrations

Gymnast membership registrations in 2012 were higher then when compared with the same period in 2011. In 2012, total registrations were 43,440 whilst in 2011 total registrations were 39,891. This represents an increase of 8.8%.

Affiliations

Affiliation is similar to the same period in 2011.

Government Grants

Grants received from the NSW Government amounted to \$55,000. The Grants received for 2012 were the same as in 2011.

Programs

Workshops and Clinics

The Workshops and Clinics category had a increase in gross earnings when compared to the same period in 2011. The majority of this increase can be attributed to increased attendance at courses and a greater number of courses offered to Members. In addition, the expenses were lower then in 2011. This was attributable to cost savings in running the workshops and clinics.

State Competitions

Competitions are consistently held from year to year. In 2012, the competitions generated a surplus of \$64,727. Competitions are an integral part of what the Association provides to its Members. This surplus represents only 7.3% of the total revenue received of \$877,853.

Club Development and Participation

This category represents the income and expenditure associated with providing club development activities for members. During 2012, the Association contributed (\$96,530) in excess of funds received from DSR and Gymnastics Australia.

Training Squads

Training Squads are a significant area where the Association spends its money. The Board considers the funding of Training Squads to be fundamental to its charter and has continued to support the Squads. The Association maintained its commitment to funding expenditure on the squads during 2012. The program continues to generate outstanding results for NSW and Australia.

State teams & International travel

The Association has budgeted to ensure that gymnasts representing the State at National competitions are charged the minimum to cover the costs of the events. The Association contributed \$68,348 toward the funding of State Team participants and people representing NSW at international events. This reflects the Boards view that supporting athletes is integral to what the Association stands for and should be supported.

Financial Investments

During 2012 the Association investments returned a surplus of \$37,233. This reflects the upward movement in interest rates on the Associations investments.

Stock Sales

The category represents the difference between what we pay for the stock items and what we sell them for. The Association has continued to sell our stock to team members and was done at competitive rates. The Association invested in purchasing a large quantity of stock resulting in substantial cost saving. Any surpluses from the sales of stock are directed at providing better services to members. This reflects the Association policy of making merchandise available to participants at competitive prices.

Property Expenses

Property expenses comprise all the costs of owning the Homebush premises.

The building represents a sound investment for the Association. Effectively it costs the Association less to own and maintain the building than it would otherwise have to pay in rent, plus the Association has the benefit of owning the asset.

Administration

Administration expenses have increased compared with the same period in 2011. A large part of this is the increased services the Association now provides to members. Over the last few years the Association has continued to increase its staffing levels to meet the ever increasing requirements of members. The Association is fortunate to be in a position to do this as it represents the benefits of successful planning to facilitate an expansion of member services.

Conclusion

During the 2012 financial year, the Association recorded an operating surplus of \$59,455. This result is in line with the long term cash flow requirements of NSWGA, to enable additional services to be provided to benefit Members in 2013.

Expenditure on various programs for the members has increased. The provision of services has been increased and the way we do business has been streamlined resulting in cost savings.

The Association retains good levels of reserves so it has the ability to provide quality programmes at a reasonable cost to members, whilst being able to meet the administrative functions necessary to fulfil the membership's needs. The long term viability of the Association is dependant upon the Association remaining financially sound and a strong viable peak body. The Association is now capable of continuing to supply a quality service to members even if the economy suffers a significant downturn.

I would like to thank both Lyn and my very dear friend Sylvia (who I will sadly miss), for their significant input, knowledge and meticulous record keeping are essential to NSW Gymnastics being able to provide sound financial reporting. Thank you again Lyn for your ongoing and additional support.

Acromat Gym and Sporting Equipment. Nothing but the BEST.

World class athletes expect world class equipment to achieve their best. That's why Acromat was selected for the 2005 World Championships and 2006 Commonwealth Games and engineered by the same team that has put Acromat in more gyms, clubs, schools and entertainment venues than any other brand across Australia.
